Was Ethics Committee Approval obtained? Yes No N/A **Type of Presentation:** Computer Poster

✓ Computer presentations **must** be supplied by C.O.B. **5th August 2016**. They must be in MS PowerPoint. This will allow desktop computer installation, as no personal notebook presentations will be permitted unless prior arrangement is made.

Abstract Word Count and Time Limits for Presentation

Word count limit for submitted abstracts is 250 words - not including title, author, and institution. Unless otherwise requested time limits for presentations will be strictly adhered to, these being 10 (ten) minutes presenting and 5 (five) minutes for questions. Presentations running over time will be stopped, time warnings will be given to allow for closing comments.

If your presentation requires more time please indicate. Early or on time submissions will be more likely to gain extra time.
Additional time requested: minutes.
